My dear M Ramaya,

The original Premium on the Policy on my life was Rs 90 Half yearly. It has been gradually reduced at every Quinquennial Examination till it now stands at Rs 22/8 for a half year. This amt has been fixed for the Quin: premium ending 31st Dec 1905. It is payable 1/2 yearly on 31st Dec: and 30th June, but the Society allows one Months grace after these dates.

The Secretaries & Treasurers are Messrs Arbuthnot & Co. They do not give notice when a Premium falls due, as other Companies do; but in return for the Kindness, I have received and as I may get the Policy back, I shall write & inform You or the Comptroller as each Premium is about to fall due.

I have paid up the Premium up to 31 Dec 1903. to for ~~1904~~ 1904 and 1905 and for the first 6 months of 1906, the Premia to be paid will be £22/8 every half year. in May & June 1906

the Company's Actuary will send in his Quinquennial Report, which I will duly forward to the Comptroller. I expect this Report will recommend to the Directors of the Society that a further reduction be made in the Premiums, a Shareholder I have been a ~~Member~~ for about 20 years.
